We recommend a one-of-a-kind personal seal for
Incoming foreign students

1. Personal seals come with great responsibility.
2. Watch out for counterfeit seals.
3. Seals are used for contracts, financial, Transactions, etc.
Do not leave your seal with another person.

<The reliance of a personal seal is determined by its method of manufacture.>

1. “Any seal will do!” is irresponsible advice.
2. Increase your marketability by using a Shokunin Kobo handmade personal seal.
3. In addition to your studies, learn about Japanese culture with a personal seal.
